Beloved Children:

At the Great Teton gathering, held at the beginning of each year, one of the most beautiful ceremonies represents the presence of the 'Shepherds' who have been given the responsibility of guarding and guiding souls through the preceding year. These shepherds comprise unascended beings from the simplest orthodox mind to the greatest Master of energy still wearing a third dimensional garment of flesh.

Each such spiritual shepherd receives great honor from the assembled Brotherhood, for these spiritual teachers are the voice, the heart and mind of the Brotherhood before men. They represent the Body of the Lord Maitreya, and according to their particular evolution, are they pure or limited channels for His cosmic Truth. Therefore, at these yearly meetings all these Friends of Truth pass in a mighty procession before the Great Sanat Kumara, Lord Maitreya, the Great Divine Director, Myself and the whole assembled Brotherhood, from whom they receive a mighty ovation.

In the aura of every teacher is the etheric record of the progress and unfoldment of each soul entrusted to his care. As the Light of Heaven blazes upon the aura, the progress of the entire group is revealed in a flash, both individually and collectively, and the assembled Masters are then able to pour Their spiritual force into whatever preparations and capacities are required to

help both the teacher and the student towards a greater unity and enlightenment for the coming year.

The progress of the world and its peoples is dependent upon the protection and care given to every avenue of effort of all outer manifestation by the Spiritual Hierarchy and their conscious and unconscious co-workers.

The plans for the year relative to the Earth are presented at the Teton gathering and delegated to the ascended Brothers and Sisters who form the natural channel for their expression. Then from the unascended mankind volunteers are chosen who form the contact with the world of form and matter whose province it is to wield the unyielding three dimensional plane into as close a facsimile of the inner plane as is possible.

Conscious chelas of the Masters who sit in at the Councils held in January and July of each year are acutely aware, in their inner bodies, of the plans to be followed by the nations of the world and their individual peoples. Once you have taken your place as a member of these Councils, your responsibility becomes far greater than that of the masses who are benefitted by these Conclaves, but have not yet any part in the privilege of working for the fulfillment of the Divine Plan in cooperation with the Great White Brotherhood.

Oftimes a chela who has been admitted to the Conclave and has seen the Great Plan and how he might attune himself to becoming a part of its fulfillment wishes that he could have remained ignorant of the tremendous responsibility involved in the knowledge. However, when the consciousness

is awakened and the inner bodies are prepared to be co-workers with the gods, the outer self cannot restrain the inner consciousness from attendance and service at these Conclaves, and the strength of the spirit then becomes the pressure and responsibility of the outer self to fulfill the inner vows and promises made at the altar of the Brotherhood.

Blessings and Love,

MAHA CHOHAN

Beloved Children:

Once again the Brothers have gathered at the great Rocky Mountain Retreat where inventory is taken, so to speak, of the year's activities, and new assignments given the Brotherhood for the coming year. I am happy to tell you that the Hierarchy is greatly pleased with the harvest gleaned through cooperative endeavor by both ascended and unascended beings working in conscious unison. We have made tremendous strides this past year in all branches of service through this conscious cooperative action, and look for even greater achievement in the year that is ahead. My Beloved Son, Kuthumi, will now give you an eye-picture of what took place on the evening of the Transmission Flame activity of December 18, 1954. Weary not, beloved ones, in your well-doing, for through it the veil that has so long hidden Our Octave from yours is being steadily dissolved.

Blessings and Love,

MAHA CHOHAN

Beloved Friends:

Tonight above the majestic cathedral of the Royal Teton sit the Mighty Divine Presences whom you have come to know and love as the members of the Karmic Board. Their thrones are constructed of carved emerald in a most exquisite design and They all wear deep royal purple in honor of the New Age and Era. As a rule, the Karmic Board as a body does not sit through this pre-Christmas Season, but because of the tremendous activities at inner
